COMMENTS FROM SOME READERS

The Charles Magnante Story arrived here the other day, much to my delight, and prompted me to make a big pot of tea and settle down for a long and very engrossing read. You have certainly done the accordion world a great service with this book/CD. Very well done! Rob Howard (Author of: An A to Z of the Accordion and Related Instruments, Vols 1 and 2) (England)

My order arrived this morning. I had a chance to preview its contents and found it to be a reading one cannot put down and the recordings of superb quality. Thanks again and best wishes. Larry Dufresne (Edmonton, Alberta, Canada)

I write to inform you that the Charles Magnante book arrived today (16 March 2006). I congratulate you on presenting a magnificent (his)story. (I will be in touch in the near future to try to buy some more Charles Magnante accordion sheet music.) Jan Zdysiewicz (Victoria, Australia)

Today, I've received the Magnante Book. Thank you very much. I'd like to enjoy both the book and the CD. Dr. Koichi Maruyama (Sapporo JAPAN)
